

DANCE KIDZ #1

INT. DRESSING ROOMS.

The Lollipops are doing their hair. The Vipers come up to them.

Lauren

Hey Lollipops, just wanted to wish you good luck for your group dance. We know how nervous it can be before going on stage.

Laura

Thanks, that is really sweet of you.

Maddy

You girls are so good. We really hope you get top scores so we can dance against you in the state finals.

Madeliene

Oh my god. You guys are so incredible, that is like a huge compliment.

Kristy

Yeah. Break a leg, Kirsty and the rest of you girls too.

Kirsty

Thanks Kristy!

They all hug.

Voiceover (O.S)

The Lollipops on call. You are next up.

The Vipers show the girls the thumbs up as they leave to go onstage.

The Viper's huddle.

Lauren

Right so how many did you get?

Maddy

I managed to get one. She's really got a lot of product in that net.

Lauren

What about you Kirsty?

Kirsty

What was I supposed to get again?

Lauren

Bobbies. So the girls lose points for their hair coming out during the routine.

Kirsty

Oh. None.

Lauren

Right. I got 13. Laura's hair will be out in the first 33 seconds, they won't even make it to the chorus, let alone the state finals.

Lauren starts to laugh, Maddy joins her, so does Kirsty.

FADE TO BLACK.

DANCE KIDZ #2

INT. DRESSING ROOMS.

The Lollipops are doing stretches. The Vipers come up to them.

Lauren

Hey Lollipops, I can't believe what happened last month at that regionals. I hope you told your mums to get with it and to do your hair properly.

Laura

Yeah it so was crazy, it's never happened before, but it's real tight today.

Maddy

We were *super* bummed for you. But hey maybe this time!

Madeliene

Definitely. Our routine is even better this time, it's to 'Lucky Star' by Madonna. You should see if you can watch it side stage!

Kirsty

Really! I love that song! Let's do it. Girls support girls, right!

Kirsty

Yeah. Girl Power!

They all hug.

Voiceover (O.S)

The Lollipops on call. You are next up.

The Vipers smile and wave at the girls.

The Viper's huddle.

Lauren

How'd we go ladies?

Maddy

Made bank. 24 sequins in total.

Lauren

Really upping your game Maddy. Impressive. Kirsty, you?

Kirsty

Are we going to go watch them perform?

Lauren

No! They are our biggest competition. Now did you rip some sequins off their costumes like I told you to? The judges deduct points for unprofessional attire. Did you?

Kirsty

Well at least two fell off Kirsty while we hugged.

Lauren

Good. My total was 111. Oh wait.

She reaches into her mouth and pulls two more out.

Lauren

113. Guess they won't be very shiny "lucky stars".

Lauren starts to laugh, Maddy joins her, Kirsty confused laughs but not much.

FADE TO BLACK.

DANCE KIDZ #3

INT. DRESSING ROOMS.

The Lollipops approach the Vipers this time.

Laura

Hey Vipers, we just wanted to wish you luck on your performance up next. You've been so kind to us the last two eisteddfods even though we haven't come through.

Lauren

One of these days girls, you'll be the winners of this whole thing.

Madeliene

Pity last time we lost points on the costumes. Otherwise, we could have been right up there with you for second or even first.

Maddy

I know. It was so close. Pity. You can't trust sequins though. We used to use them and they would always fall off.

Kirsty

Anyway, we brought you some non-alcoholic wine to celebrate our last competition for the year.

Kristy

I love that stuff!

Kirsty

Me too!

They all hug.

Voiceover (O.s)

The Vipers on call. You are next up.

The Lollipops smile and wave at the girls.

The Viper's huddle.

Lauren

What the hell was that?

Maddy

They are just trying to psyche us out.

Lauren

Yeah. And what's with the wine, us Vipers don't drink liquids an hour

before our performances. They should know that.

Kirsty

Wow that wine is delicious. I hope you don't mind Lauren, but I finished the bottle. I know you don't like bubbles, especially before a performance.

Lauren

Are you kidding me Kirsty? Out of all of us. You have the weakest bladder. Did you forget that dancing makes you nervous and that you pee'd on stage two years ago because you drank too much water?

KIRSTY

I guess. I just... I just didn't think. I really liked that drink.

Lauren

Well you better hold it in. Otherwise those girls go to National's and we will be nothing. NOTHING!

VOICEOVER

Calling Vipers to the stage!

The Lollipops watch on. Laura starts to laugh, Madeliene joins her, Kristy confused laughs but not much.

FADE TO BLACK
