

WORST KID IN THE PLAYGROUND #1

EXT. PLAYGROUND.

Kids are playing dodgeball. One kid gets hit with the ball and walks off the court in a good sportsmanship kind of way.

Girl
Good shot!

Girl 2
Thanks.

John runs around on the spot and a ball hits him as well. He does not leave the court.

Girl 2
You're out.

John
No I'm not.

Girl 2
Yeah. I just hit you with the ball.

John
Yeah but I'm not out.

Girl 2
It's dodgeball. That's the rules.
You're out.

John
Nah nah. I had 20 lives. So now I've got 19 left.

Girl 2
That's not how it works. You're out.

John
I'm not out. You'll have to hit me another 19 times.

Girl 2
Are you kidding me?

John
I'm not out!

Another ball flies his way and hits him.

Girl 3 (O.S.)
You're out John.

John
No I'm not, I've still got 19 lives.

Girl 2
No, by your rules you've got 18 now.

John
I don't count that one, because I was having a discussion with you about the 19 lives.

Girl 3 (O.S.)
You're out!

Girl (O.S.)
Get off the court.

John
You'll have to get me another 19 times guys.

Balls fly from all directions and hit John.

Fade to black.

WORST KID IN THE PLAYGROUND #2

EXT. PLAYGROUND.

Kids are playing hide and seek. One kid gets found.

Girl 2
Found you.

Girl
You're so good at this! I'll help you find the rest of them.

Girl 2
Thanks.

The girl continues to search for hidiers. She finds John, tucked inside a tunnel.

Girl 2
I found you John!

John
No you didn't.

Girl 2
Yeah. I see you with my eyeballs.

John

You couldn't possibly be seeing me with your eyeballs because I'm using my invisible shield.

Girl 2

John, we are just playing regular hide and seek and you are physically right in front on me, so I found you.

John

You are wrong, I've used this shield countless times before. It's impossible.

Girl 2

That's not how it works. I found you and now I'm going to find the rest of the guys.

John

Well you go find them, but this does not count.

Girl 2

Are you kidding me?

John

I can only use the cloak once anyway so if you go search for the rest of the players and find me again it will count.

Another girl finds John.

Girl 3

Found you John.

Girl 2

I already found him.

Girl 3

You go girl!

John

Actually she has *not* found me. I'm using an invisibility cloak.

Girl 2

Well you said it only works once, so I guess in your rules you've been found now by her.

John

Untrue. The shield works just in *this* tunnel, so I would have to move away from here to be found.

Another girl comes over to other girls.

Girl
Everyone has been found except John.

She sees John.

Girl
Oh hey John. I guess you've been found last. You're up.

John
Yes!

John starts counting to ten.

Girl
John's up! Everyone hide.

Girl 2 rolls her eyes and runs off.

Fade to black.

WORST KID IN THE PLAYGROUND #3

EXT. PLAYGROUND.

Kids are playing with balloon swords.

Both
On guard!

One kid gets hit on the arm and puts it behind her back, she hits the other player in the leg, she goes onto her knees. They laugh.

Over to John and Girl 2.

Both
On guard!

They have a great swordsman session. She hits his leg. He keeps playing.

Girl 2
Wait John you have to get on your knees. I hit your leg, so you lose it.

John
No you didn't.

Girl 2

I did.

John

Must have looked like it did but I didn't feel anything.

Girl 2

Okay fine.

The two stand in starting position again.

Both

On guard!

Girl 2 hits John on the arm this time. He doesn't put it behind his body.

Girl 2

John I just hit your arm this time, you have to put it behind your back.

John

Oh didn't you know? I regenerate.

Girl 2

What?

John

Yeah it's my secret power.

Girl 2

That's not the game John.

John

I know. Not very many people have it but I am able to instantly grow back any limb I lose in a sword fight.

Girl 2

That's not the rules.

John

The only way to get me out is to strike right through the heart of my impenetrable armour.

Girl 2

You have armour now?

John

Shouldn't every knight?

Girl 2

Are you kidding me?

John
Not while you've got that sword in
your hand.

Girl 2
Fine. On guard.

John
On guard!

Girl 2 does not even try to play. John slays her every which
way. She feigns death.

Girl 2
You killed me! Good for you.

John
You put up a good fight but you were
just no match for me.

Girl 2 gives John a thumbs up and exits. Another girl comes to
verse him.

Both
On guard!

Fade to black.
